SUMMARY

Computer Science graduate with an interest in Artificial Intelligence and data management. Experienced in handling datasets, SQL, schema design, and applying machine learning techniques. Seeking a data-focused role to apply technical skills and grow expertise in the field of data.

SKILLS

- **Databases:**
 - SQL (PostgreSQL, OracleDB, pgAdmin)
 - Database Schema Design
- **Web Development:**
 - React.js, Tailwind CSS, API (Postman)
- **Automation & Tools:**
 - n8n, AI & Cloud Services API
- **Programming & Scripting:**
 - Python, Java, Jupyter Notebook, git
- **Machine Learning & AI:**
 - PyTorch, Hugging Face
 - Deep Learning (transformers), NLP
- **Cloud & DevOps:**
 - ngrok, GCP, Docker, Linux, Kestra

EXPERIENCE

8box Solutions Inc.

2024

Front End Developer Intern

- Developed front-end interfaces for e-commerce (BuildHub Seller) and towing (Towking) platforms.
- Integrated APIs and performed manual QA testing to ensure system functionality and reliability.

Department of Trade and Industry (ECB-BID)

2025 - Present

Computer Programmer I

- Supported system improvements through UI/UX design, UAT testing, and issue resolution.
- Evaluated applications and assisted in technical and legal documentation, as well as cross-team collaboration

PROJECTS

- **Adaptive Traffic Simulator (TrafficSync)**
 - Intersection simulator with traffic optimization and emergency prioritization.
- **AnilyticsETL**
 - ETL pipeline analyzing anime datasets to generate rankings, word clouds, and association rules.
- **Automated Blog-to-Landing-Page (n8n)**
 - A self-hosted automation pipeline that collects blog content, generates AI images, and creates HTML pages with CSS and JS.
- **Filipino Sarcasm Detector**
 - Transformer-based AI (XLM-RoBERTa) classifying Filipino text as sarcastic or not.

EDUCATION

Bachelor of Science in Computer Science

2021 - 2025

Polytechnic University of the Philippines - Sta. Mesa

ADDITIONAL INFORMATION

- **Awards:**
 - BSCS Magna Cum Laude Graduate (2025)
- **Scholarships:**
 - DOST-SEI JLSS Scholar (2023-2025)
